Please note that this list of locations is up to date as of 15 March 2019 with a few movements due in the coming days. Due to a number of required repairs, there are numerous cows in for repairs or getting TLC for upcoming events. The cows are always on the "moove" and their locations are subject to change due to major events and or vandalism. All endeavours are made to ensure this list is up to date and accurate. Good luck finding the girls and be sure to follow us on Facebook and Instagram!
