

MoovingArt Shepparton

MOOVINGART – CONDITIONS OF SPONSORSHIP

The following conditions of use apply for the sponsorship of Shepparton’s Mooving Art Cows:

Public Liability Insurance

The User shall, at all times during the term of this agreement, be the holder of a current public liability policy of insurance, which covers it in respect of their activities. This must be at least a \$10 million cover. The said policy shall only be effective with an insurer approved by the Council. The Council reserves the right to request proof of such insurance policy before the commencement of this agreement.

Damage and Security

The User shall notify the Council immediately of any damage incurred to the cow whilst on location. All care should be taken to protect the cow from vandalism and theft. When the cow is located in the general herd it is the responsibility of the Greater Shepparton City Council staff to monitor the cow, along with the remainder of the herd.

Whilst in possession of the cow, the user shall immediately report any breakage, defect or damage to the Mooving Art cow, or any fixture connected with the cow occasioned by any act, neglect, want of care or misuse or abuse on the part of the User or any person claiming through or under the user. The user shall immediately notify the Council of such damage and the Council will carry out repairs or replacements necessary at the cost of the Hirer. If the cow is damaged whilst on location with the remainder of the herd it is the responsibility of the Greater Shepparton City Council to carry out repairs at the cost to the Council.

Inspection

The Council will inspect the cow pre and post any booking to ensure existing conditions of the cow before the sponsorship period and on its return. The inspection is to assess any cleaning required or damage caused.

Sponsorship

Cost of sponsorship is \$450.00 (plus GST) per annum per cow payable to the Council. This Agreement will be on an annual basis and can be reviewed prior to renewal of contract. Shorter term arrangements can be arranged on an individual basis.

Transport

The Council will arrange transport (collection, loading, unloading and delivery) of the Moooving Art cows. All costs associated with the transport are payable by the Council as part of the sponsorship package (within the Greater Shepparton City Council boundary).

General

The Council reserves the right to vary any of the conditions or impose additional conditions or withdraw permission of use, if deemed necessary, at any time.

In situations where there is repeated misuse of the MooovingArt cow the cow will be removed immediately and the user will be unauthorised to future use or sponsorship of the cow. There will be no refund of monies paid in this instance.
